WOOD SERIES

WOOD SERIES

Color variation may occur between panels from different production batches. If color consistency is required, do not mix different batches. Please order the total requirements for one particular building in a single order. For metallic and effect colors, an optical change of color shade may occur due to the metallic particles of these lacquers. To avoid possible reflection differences, it is imperative to install the panels in the same direction as marked on the protective film.

Please confirm delivery and price impact for Special Colors at the time of enquiry.

ALW 304 - MAHOGANY

ALW 309 - ROYAL WENGE

STANDARD COLORS (G80)
